6. Core & Lindsey Branson

Costa Rica

#missionary #globalworker #latinamerica #costarica

CHILDREN- Cooper, Londyn, Carter

BIO

We are Corey and Lindsey Branson! We have three beautiful children: Cooper, Londyn, and Carter. God called us into missions in March of 2018. God gave us a heart for the unreached and our desire is that all people have an opportunity to come into a relationship with Him. Our ministry is multi-faceted. We cultivate relationships and community to give opportunities for discipleship and spiritual growth. El Puente bridges the gap between the community and the church and we know that God is using it to reach beyond the community as well. Through mobilization, our ministry is training and preparing Costa Ricans who are being called into missions, to go and reach the unreached. El Puente is a tool to build relationships and point people to Christ. Our goal is to make His name known among the nations!

PRAYER REQUESTS

- Pray for us, the pastors, and the people of the congregation here as we work through the process of going to Thailand to help work with the Isan unreached people group.
- Pray for protection, wisdom, and financial provision.

#nationalpartner #missionary #intercessor #usa #mexico #nicaragua

BIO

In 2023, through God's grace and faithfulness, Joy completed the 11-month missionary training program with Mountain Gateway Academy. The Lord called her to the mission field through Mountain Gateway Prayer. She will help pioneer what this ministry track will be for future missionary intercessors with Mountain Gateway, while the Lord makes her like Anna in Luke 2.36-28.

Beginning in January 2024, Joy will serve the ministry through providing administrative support; leading prayer and worship gatherings; discipling others; spending time in corporate and personal prayer, intercession, and Biblical study; connecting with and interceding for ministry staff, students and ministry work; assisting with hosting prayer ministry gatherings and events; or assisting with another ministry area with Mountain Gateway as needed. She will also travel to mission bases in Latin America and other ministry locations within the US.

Joy is humbled and honored to continue with Mountain Gateway Prayer to spiritually undergird the mission for missionaries to GO and STAY that nations are saved and discipled. She is excited to continue to learn and grow under leaders whose hearts and character demonstrate what it means to love and follow Jesus.

PRAYER REQUEST

- Pray that I remain humble, willing, and obedient.
- Pray that I continue to grow in spiritual wisdom and revelation in the knowledge of God, to accomplish the works He has planned for me.
- Pray that all resources for me to GO and STAY are provided.

NATIONAL PARTNERS WORKING WITH IMMIGRANT COMMUNITIES

16. TREY & BECKY HANCOCK

Dearborn, Michigan, US-Intercultural Missions

<https://usmissions.ag.org/MissionaryLocator/USMissionaryResult?Account=2225365>

#nationalpartner #interculturalministry

BIO

Trey and Becky Hancock have lived in Dearborn, Michigan since 1987. They are Assemblies of God US-Intercultural appointed missionaries, sharing the Gospel of Jesus with the goal of planting churches among Arab Muslims. In 1999 the Lord began to deal with their heart about planting a church in town. On the Sunday before Memorial Day 2000 they began meeting in their home to establish a church. They began by inviting their friends and neighbors to a meal and a time of worship and studying God's Word. The Lord has been faithful and Springwells Church, is planted and growing.

Our objective is to reach our community which is 97% Arab Muslim. It is the largest concentration of Arabic- speaking people in the world outside the Middle East. People from Iraq, Lebanon, Jordan, Syria, and Yemen are the main people groups. Dearborn is one of the most strategic cities in the world for the Gospel. This area is crucial to a worldwide movement of the Holy Spirit. Michigan has been targeted by Islam to be the first Islamic state in the United States, and Dearborn has long been a pulse point toward that goal. Dearborn must be realized as a strategic mission field. The focus is sharpening toward a major population of unreached people living in our country where evangelism is legal and accessible. Yemen is a country with very few missionaries if any. The AoG, currently, has no missionaries in Yemen. Dearborn has a high population of Yemeni and the LORD is moving. Our prayer is that the new believers will take it "back home" to their families and country. Would that it be God's heart to plant another church here that will cross the boundary to Yemen. Trey and Becky are NOW preparing for the next generation by training young adults with the call to minister the Gospel to Muslim people groups and plant churches. Springwell's Intercultural Ministry Center (SpringwellsIMC.com) prepares college interns, ChiAlpha teams, and mission associates with a call to Muslim contexts.

PRAYER REQUEST

- Pray for the conviction of sin that leads to repentance- they need to realize they are lost.
- Pray that the Lord would raise up more laborers to continue the work of the Kingdom here- that the training center would produce young ones with a selfless heart to go plant churches or stay to plant churches here in Dearborn.
- Pray that blindness and deception would be removed- vain imaginations that have exalted themselves would implode.
- Pray for God to move in power and manifest the authority of Jesus in signs and wonders! Pray for boldness in proclamation.
- Pray for unity in the believers.
- Pray that Muslim background believers would love each other and be in unity to show His life.
